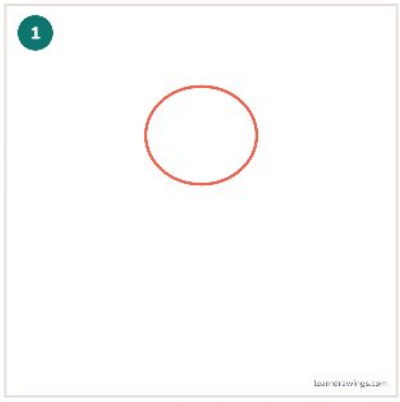
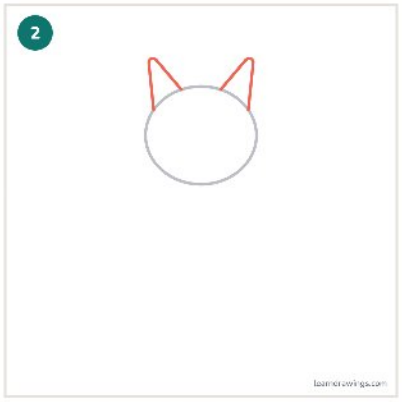
How to Draw a Black Cat

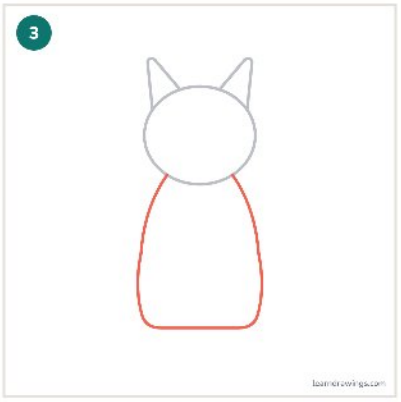
Follow the coral lines in each box · learndrawings.com



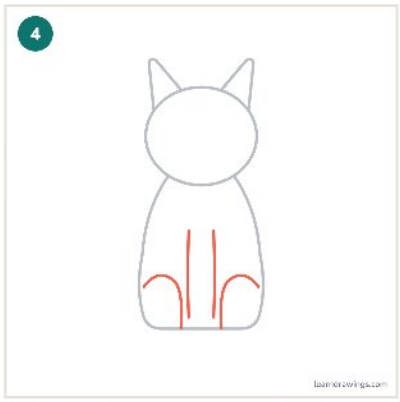
1. Draw the head



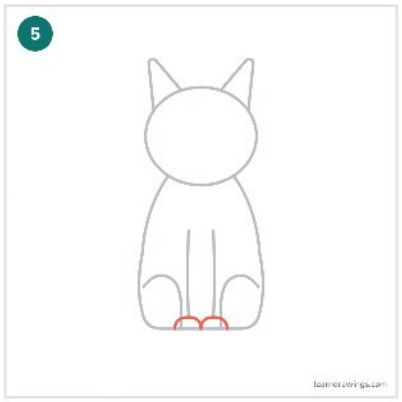
2. Add pointed ears



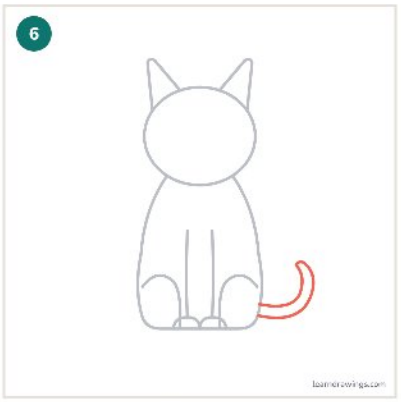
3. Draw the body



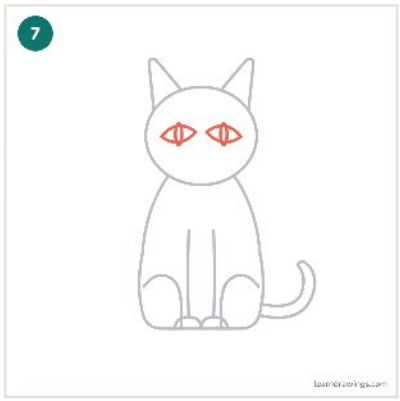
4. Add the back legs and front legs



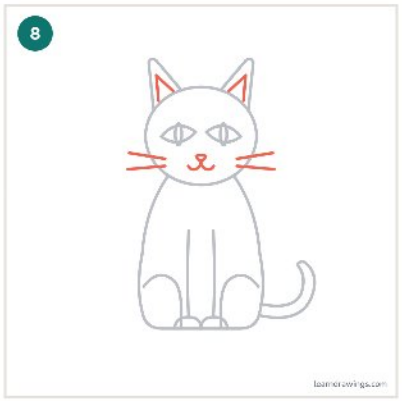
5. Draw the paws



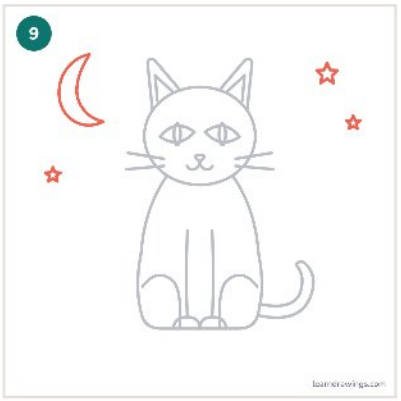
6. Draw the curled tail



7. Draw the eyes



8. Add the nose, mouth and whiskers



9. Add a moon and stars

10. Color your black cat

Trace it, then draw your own

Your turn: draw it here

Make it your own: change the colors, add a background
