How to Draw a Kitten

Follow the coral lines in each box · learndrawings.com

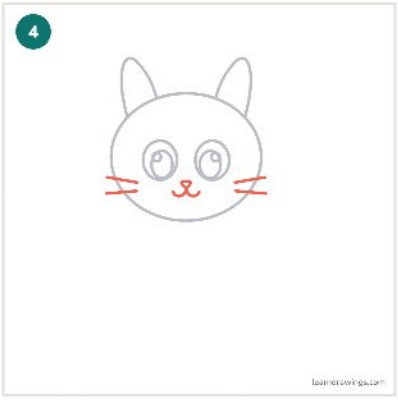

1. Draw a big round head

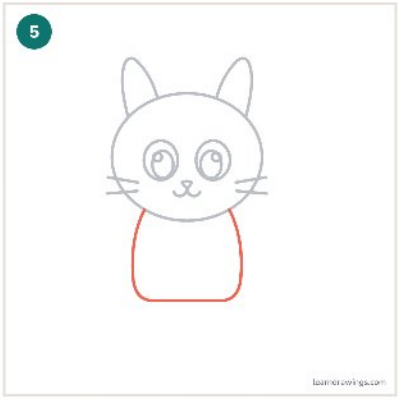

2. Add two large ears

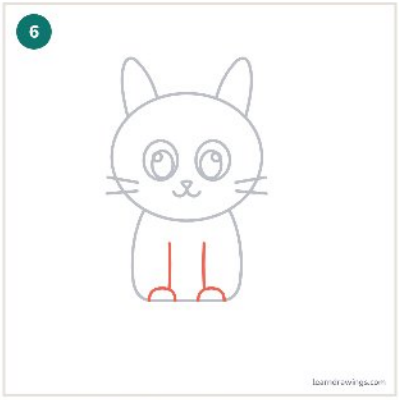

3. Draw the big eyes

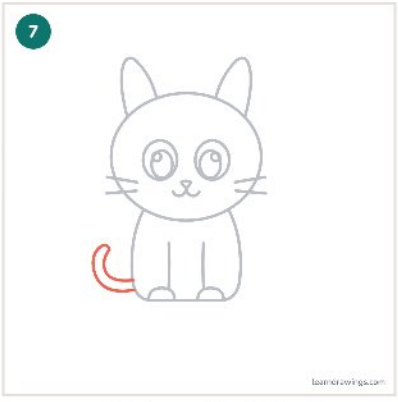

4. Add the nose, mouth and whiskers

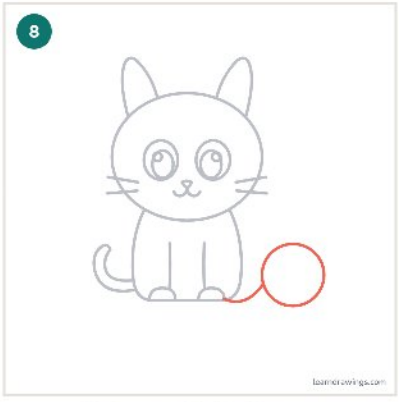

5. Draw the small body

6. Add the front legs and paws

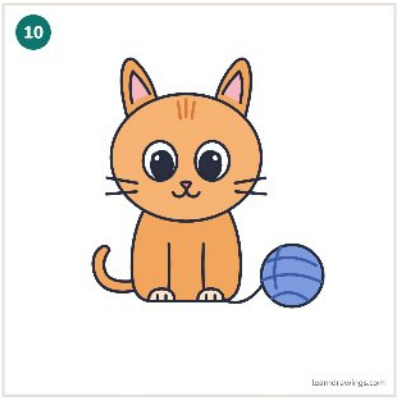

7. Draw the tail

8. Draw a ball of yarn

9. Add stripes, toes and yarn lines

10. Color your kitten

Trace it, then draw your own

Your turn: draw it here

Make it your own: change the colors, add a background
